

International Danube Day Contest

2024

Contest Sponsor

“Danube bend” amateur radio group, Hungary

Objectives

Developing traditional friendship between amateur radio operators and celebrating the International Danube Day (29th of June in every year)

<https://danubeday.info/>

Contest period:

Starts on the 29th of June 2024, 00:00 UT till the 29th, 23:59 UT.

Participants

Any licensed amateur radio station

Categories

LOW power ($\leq 100\text{W}$)

HIGH power ($> 100\text{W}$)

Modes

CW, SSB

Frequencies

All HF amateur bands range from 1.8MHz to 30MHz, according to IARU band plans. QSOs on repeaters are not accepted.

Call

CQ DD, or CQ DANUBE DAY CONTEST.

Exchanged information

RS(T) , for example 599

Scoring

QSO with any station	1 point.
QSO with HG7DANUBE special call	10 points

Any station to any station counts once per band and per mode.

Multipliers

Each country where the Danube flows. (DK, OE, OM, HA, YU, 9A, YO, LZ, UR, ER)

Total score

The score multiplied with the number of Danube neighboring countries worked.

Log

Please send only one log for one station.
Prepared in any format. Cabrillo format is preferred.

Please put your full name, callsign, postal and email address in the log file.

Log files can be sent to ha7vyjozsi@gmail.com

Log manager: HA7VY (<https://www.qrz.com/db/HA7VY>)

Log deadline: not later than 10 days after the contest (9th July 2024)

Awards

According to the usual international laws. The first three stations with the highest score will be awarded a medal and diplom. Every station who sends log in will be rated, and gets notified. Official results will be announced in October on <https://danubeday.info/>

Awards, medals and rewards will be sent through international mail services outside Hungary. Hungarian stations can collect artifacts in October. Notification will be sent in advance.
